The training sessions usually lasts 90 minutes and consists of a group warm up, speed training, endurance, strength, core, and flexibility work. The athletes in this program do not specialize in any event. They are taught the various components of sprints, hurdles, distance, jumps, and throws. Training groups may have up to 20 athletes working together at any given practice.

COMPETITIONS

The Flying Angels Primary Team competes in track meets throughout Ontario. The team competes in the Minor Track Association (MTA), Amateur Athletics Union (AAU), and the Ontario Youth Athletics Association (OYAA).
