FALSE START RULE

False start rules follow those of the IAAF, with the following exception: in events staged for 6U, 8U, 9U, 10U, and 11U divisions, one false start per race will be allowed and charged to the field. Any further false starts during that race will result in the disqualification of the athlete making the false start.

The starter may, at his/her discretion, deem the start a "faulty start" and not disqualify an athlete.

FIELD EVENTS

All athletes in the Long Jump and Triple must jump from the preexisting board.

A board or white tape will be constructed 1 metre before the pit for athletes competing in the 8 & Under division.

All athletes who leave a field event to compete in a running event may return to compete in the field event, providing that the field event has not been completed.

Athletes who return to the event must join the event at the round that the event is currently in or at the height that is currently being contested (high jump).

Athletes who have missed some of the preliminary rounds of the field event may not join the event for the final rounds, unless it is deemed that they are part of the top 8 participants who have qualified for the final rounds.

There are no "make up attempts" for the rounds that were missed by an athlete was not at an event.
